

# The Giesler Gazette

## What We Are Learning

MATH We will be spending the next several weeks talking about place value and different ways to represent numbers up to 1000.

READING We are learning about how to ask questions while we read. Ask your child to think of questions while reading each night!

WRITING We are discussing the elements of a great sentence!

SOCIAL STUDIES We are learning about where we are on a map, and will soon be discussing the regions of Georgia.

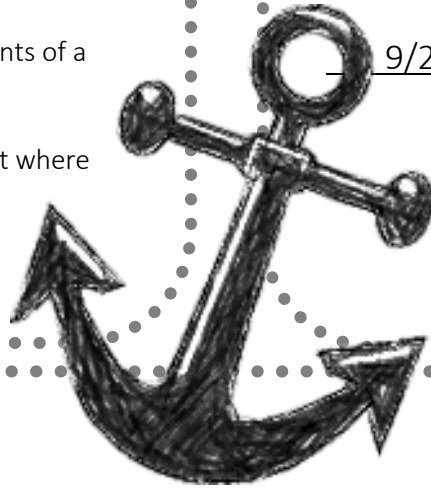

## Upcoming Events!

9/7 Labor Day – No School!

9/9 Progress Reports Go Home

9/18 Wellness Run

9/21 FALL BREAK! ☺

## Reminders

We had a great time at the hot dog dinner last week! I know many of you were able to make it. I hope you all enjoyed yourselves and come to many events in the future!

We have gotten through the first month of school! By now, we have learned all the procedures of the classroom and students are settling in well to their new school! It is really going to be a great year.

Progress reports will be sent home next week for those that are still working on meeting standards in certain areas or behaviors. Please let me know if you have any questions about this.

I hope you all have a great Labor Day weekend! As always, if you have any concerns or questions I will be happy to answer by note, email, on ClassDojo, or by phone!
