

The Giesler Gazette

What We Are Learning

MATH We are finishing up learning about how to partition shapes in equal parts, partition shapes into rows and columns, and how to use repeated addition with arrays.

READING We are reviewing several reading standards, including author's purpose, main idea, and comparing texts.

WRITING We have finished our informative writing about Jimmy Carter, and are beginning a new narrative writing about a special place in our lives.

SCIENCE We are doing a unit study on life cycles. We are investigating the life cycle of plants and various animals. Ask your child about the caterpillars we are observing in our classroom.

Upcoming Events!

4/21 Poetry Café

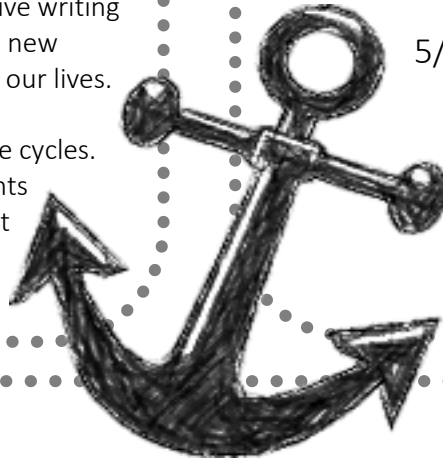

4/29 Progress Reports

5/23 Field Day

5/24 Early Release

5/25 Early Release and

Last Day of School

Important Reminders

Stamps: As we begin to think about the end of the year, please send in 3 stamps at your convenience. These will be used to mail home your child's report card at the end of the year. A reminder will be sent home in Thursday folders in the coming weeks.

Field Day T-Shirts: A letter about field day T-shirts went home in agendas last week. Please check your child's binder if you are interested.

Progress Reports: Progress reports will go home next Friday! Reports will only be sent home to those who have a 1 in any area, or those who are in need of improvement in any behavior area.
