

The Giesler Gazette

What We Are Learning

MATH We have been spending the past two weeks reviewing strategies for adding and subtracting numbers up to 20 in our head.

READING We are learning about how to choose a "just right" book on our reading level. We are also learning the procedures for reader's workshop.

WRITING We have been discussing the procedures for writer's workshop. We will begin to write our first writing piece in the next couple of weeks.

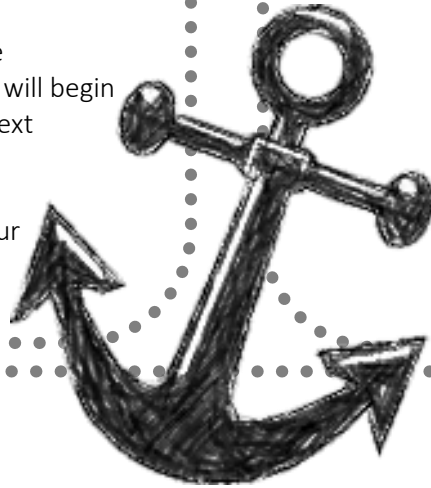

SCIENCE We are learning about the four seasons and the reason for seasonal change.

Upcoming Events!

8/27 Hot Dog Supper 5-6:30pm

9/1 Progress Reports

9/7 Labor Day – No School!

Reminders

Thank you to all those that were able to attend Open House last week! For those unable to attend, a sheet with classroom reminders will be going home in Thursday folders this week.

Please return permission slips if you haven't already. These slips go home in August each year, and are for a field trip later in the year (details TBA). The slip was a folded piece of paper with a picture of a theater on the front and the words "Performing Arts."

We have had a great first 3 weeks in our school year! Expect one of these newsletters every two weeks. They will be posted on the blog and sent home in Thursday folders each week.

Thank you!

Mrs. Katie Giesler
