

REACH FOR THE STARS TIMES

Volume 3, Issue 2
December 2013

A MESSAGE FROM OUR DIRECTOR KAREN SCARBOROUGH

Dear Parents/Guardians:

I hope your child is enjoying the clubs in the Reach for the Stars Program.

As you may imagine homework is our biggest challenge. Please help us by encouraging your child to take advantage of the opportunity to get help with Math and homework. Mr. Abel helps students every afternoon from 4:30-6:00 with Math and other homework needs.

I make a reminder announcement every afternoon after snack to the students to please go to homework first or they may go to a club first and then go to homework. The RSP staff makes sure that students know that homework and tutoring come first.

Please mark the following dates on your calendar.

NO RSP from December 16th through January 6th. This includes morning and afternoon sessions

RSP will resume on January 7th.

If you and/or your child have had a positive experience with RSP or would like to share your suggestions, please email a couple of sentences to me describing your experience.

Karen Scarborough at

or at 404-983-8183.

Sincerely,
Karen Scarborough
Program Director
